November 1, 2021

Chairman Brunk and County Board Members,

It is with both regret and anticipation that I submit this letter as notice of my resignation as County Administrator for the County of Rock Island effective December 10, 2021.

I have accepted the position of City Administrator with the City of Washington, Illinois and will begin my assignment there on December 13<sup>th</sup>. I find the situation with the City of Washington a unique opportunity to further my career in a growing community and to be closer to my family. This has not been an easy decision and took a lot of consideration.

I would like to thank Chairman Brunk and you board members for the privilege of serving with you over the last three and one half years. I have made many great friends during my tenure here.

Please be assured that I will prepare administrative staff for the transition over the next few weeks and keep you apprised of ongoing projects and outstanding issues going forward.

Thank you again for the opportunity to serve with you the citizens of Rock Island County. I wish you continued success.

Sincerely,

  
James Snider  
County Administrator
